

## Bend Public Library

The Bend Public Library is an exciting place to be—there's never a dull moment! We recently hosted the *Oregon is Indian Country: the Land* exhibit from the Oregon Historical Society. This spectacular and beautiful display created an unusual type of visual interest in our lobby, along with providing some valuable information.

The new school year also brings new opportunities to use your public library. Sometimes it can be difficult to figure out where to start. At all of our libraries it always starts with getting a library card. At the Bend Public Library check in at our desk on the ground floor (walk in, turn right) to get a new card or discuss your library account. You will also find our Children's Library staff on the ground floor. From helping you find materials for a report, searching for information electronically, or finding a great book to fulfill your 20 minutes of reading each day, our experts are there to help.

Take a walk (or the elevator) upstairs to find a vast and fabulous collection of ever-changing materials. Search for your favorite author, find a new cookbook, or discover a DVD—the choice is yours! You can also use our computers to get online, type a resume, create a budget spreadsheet, or just play some online games. Plus our library professionals are there to help you find the information you need, all while providing fast, friendly, and accurate information.

Stop by the Bend Public Library today!

## Redmond Public Library

It has been a busy summer at the Redmond Public Library, filled with lots of fun summer reading programs. In preparation for fall, we are partnering with the Family Access Network (FAN) and the Girl Scouts organization to collect school supplies for kids, and warm, winter clothing for community members in need. We are also gearing up for Hispanic Heritage Month, beginning September 15. Come and see the library transformed into a rain forest marketplace! Outreach Services is sponsoring many wonderful programs, including computer classes in Spanish, a Hispanic folktale puppet show, Spanish story times, and Tango and Salsa dancing programs, to name a few.

The Redmond Public Library was selected as the recipient of a \$1,000 grant from the new "Rent-A-Center." The money is earmarked for business literacy materials for our community. We are purchasing books and audio books on business resources.

We are excited to welcome Mercedes Hubbard, the new Teen Services Librarian for the Redmond and Sisters Public Libraries. Her recent experience includes working for the Lincolnwood and Evanston Public Libraries in Illinois. Her creative programming and enthusiasm for teen services will soon be evident in North County.
