We Deliver!

Library Service to Your Lobby: Fall 2010

What is the We Deliver to Your Lobby program?

The We Deliver Library Service to Your Lobby program provides library materials to Deschutes County residents in senior housing, in residential care facilities and at the Bend Senior Center .

Are overdue fines charged to patrons using the We Deliver program? No. However, for library items that are damaged or lost, there is a replacement and processing fee charged.

Can I return materials I check out from the We Deliver Program to other Deschutes Public Library branches?

Yes. Please remember that the other branches charge overdue fines on adult and teen materials. What this means to We Deliver users is that if you return items that are overdue from the We Deliver program to one of the other branches and they are teen or adult items, overdue fines are charged to your account.

I am interested in a particular topic, title and/or author. How do I request materials be brought out via the We Deliver program to my facility?

Contact the Outreach Services staff at (541) 312-1035 a week prior to the scheduled visit to your facility or have your activities director contact the Outreach Services with your request. You may also visit the Deschutes Public Library website at www.deschuteslibrary.org to request materials and choose "Outreach" as the location to pick up materials. Your requested items will be sent to the Outreach Services department to be delivered to your facility.

What are the names of the staff providing delivery of library materials to my facility?

Joan, Library Specialist
Denise, Library Specialist
Susan, Library Specialist
